## Executive Bio

Coastal Bend Distilling, Company was founded by visionary entrepreneurs, Kenneth and Eveline Bethune. Born and bred in South Texas, Kenneth made rural Beeville his hometown in 2012, set up a legal practice and established his family home in this historic Coastal Bend city. He appreciated the close-knit community, the camaraderie, and the elegant simplicity of small-town life. Kenneth, who has always had a dream to open a distillery with friends, wanted to give back to his community by building something that would reenergize the rural economy and grow Beeville as a tourist destination in South Texas.

Never one to fear the unknown, Kenneth & Eveline set about founding Coastal Bend Distilling, Co. to provide quality spirits with a South Texas personality. Premier products, such as Spiced Rum and Bourbon sourced from local, regional, and state-grown ingredients, will more proudly bear the “Go Texan” seal. Under the leadership of the Bethunes, the distillery will offer an exclusive portfolio of spirit products, including vodka, gin, rum, blended whiskey, and bourbon.

The Bethunes want Coastal Bend Distilling, Co. to be more than just another distillery. The company will host distillery tours, a unique tasting room experience, and serve as a central hub of activity for the region and surrounding areas. A visit to Coastal Bend Distillery will give guests a completely unique and memorable South Texas experience, along with products and merchandise they can take home with them to remember it by.

The Coastal Bend Distilling, Co. brand is an industry leader; one of the first to capture this niche in the regional market; No other distillery provides a distinct South Texas experience like we do. Our goal is to become the region’s best-known spirits destination for adventurous men & women in the South Texas area and beyond.
