General Facts about CBD Products

- There are three spirits in the distillery’s permanent portfolio: Live Oak Vodka, Lucky Star Gin and Colonel Fannin Whiskey. These spirits are in region-wide distribution through L&F Distributors.
- The distillery has produced several limited-edition craft productions that are for sale in-house only and available on limited supply. Previous productions include Aged Rum, and Louisiana Purchase Single Barrel Whiskey.

General Facts about CBD Services

- **Distillery** - Guests can take a tour of the distillery, learn about our process, and sample Coastal Bend Distilling products on site.
- **Tasting Room Bar** - Open regular hours throughout the week, customers can enjoy their favorite Coastal Bend Distilling products in their drink of choice and socialize in a casual atmosphere with friends & family.
- **The Grant Building at the Distillery** – Located at the south end of the property, the old Grant Lumber hardware building has been renovated into a venue hall. Available for private parties or for public events, Coastal Bend Distilling provides the city’s most unique and charming venue for special events, music and dancing.
