General Facts about CBD Products

- At the distillery's opening, three products will be bottled and available to the public:

- The first grain-to-glass “Go Texan” products will be a Texas crystal and spiced Rum. The release should be sometime before the end of 2018.

- Coastal Bend Distilling will use Texas sourced materials for its products and bar recipes, including Bee County corn, Rio Grande sugar cane, Valley lemons, South Texas botanicals, and honey from local prize winning Ottensman Farms.
- Coastal Bend Distilling products will only be for sale at our distillery location during the first year of production.

General Facts about CBD Services

- **Distillery** - Guests can take a tour of the distillery, learn about our process, and sample Coastal Bend Distilling products on site.
- **Tasting Room Bar** - Open regular hours throughout the week, customers can enjoy their favorite Coastal Bend Distilling products in their drink of choice and socialize in a casual atmosphere with friends & family.
- **Gift Shop** - Coastal Bend Distilling branded merchandise will be available for sale to distillery visitors and local shoppers.
- **The Grant Building at the Distillery** – Located at the south end of the property, the old Grant Lumber hardware building has been renovated into a venue hall. Available for private parties or for public events, Coastal Bend Distilling provides the city’s most unique and charming venue for special events, music and dancing.
