FAQ's

How did you get the name Coastal Bend Distilling, Co.?

We wanted a name that recognized our part of South Texas and the lifestyle that has been in existence here for generations. This part of South Texas is also commonly referred to as the Coastal Bend region, because of the westward bend in the Gulf Coast line. We're a South Texas company, we produce South Texas goods, we only thought it right that our name captured that pride just as much.

Where is Coastal Bend Distilling, Co. located?

Coastal Bend Distilling, Co. is located in downtown Beeville, Texas. Our address is 201 N. Madison Avenue, Beeville, Texas 78102. If you're traveling from a distance, we're 55 miles Southwest of Victoria, 105 miles Southeast of San Antonio and only 60 miles North of Corpus Christi.

Why did you decide to open a distillery?

We love rural Texas and we love good spirits. When we decided to embark on a project that would help bring capital, vitality, and good times to Beeville, we thought that a distillery would be a great idea. Not too many communities in South Texas can say they have a local distillery, and we love that we can bring that distinction to Bee County! Plus, we'd be working with a product we know and love to talk about. It's been quite an adventure so far, and we're glad of the challenge.

What products do you make?

We currently have 3 products in our permanent portfolio and several limited-edition craft productions. Our main spirits in distribution are Live Oak Vodka, Lucky Star Gin and Colonel Fannin Whiskey. Two more spirits we have in the pipeline include Copano Bay White Rum and La Lechuza Blue Agave Spirit.

How much do your products cost?

Prices range from \$28 to \$75. It all depends on what lengths we went to or how innovative we were in making it! Our core products vodka, gin and whiskey all fall under \$40. Our more specialty limited production runs like Aged Rum and Louisiana Purchase are priced accordingly, usually in the \$60-75 range.
