## FAQ's

### **How did you get the name Coastal Bend Distilling, Co.?**

We wanted a name that recognized our part of South Texas and the lifestyle that has been in existence here for generations. This part of South Texas is also commonly referred to as the Coastal Bend region, because of the westward bend in the Gulf Coast line. We're a South Texas company, we produce South Texas goods, we only thought it right that our name captured that pride just as much.

### **Where is Coastal Bend Distilling, Co. located?**

Coastal Bend Distilling, Co. is located on the property of the old Grant lumber yard in downtown Beeville, Texas. Our address is 201 N. Madison Avenue, Beeville, Texas 78102. We're still under construction but look forward to opening Summer of 2018. If you're traveling from a distance, we're 55 miles Southwest of Victoria, 105 miles Southeast of San Antonio and only 60 miles North of Corpus Christi.

### **When will Coastal Bend Distilling, Co. be open to the public?**

Coastal Bend Distilling will open in Summer of 2018. Cross your fingers, knock on wood and pray to the whiskey gods that we don't encounter too many more obstacles along the way!

### **Why did you decide to open a distillery?**

We love rural Texas and we love good spirits. When we decided to embark on a project that would help bring money, vitality, and good times to Beeville, we thought that a distillery would be a great idea. Not too many communities in South Texas can say they have a local distillery, and we love that we can bring that distinction to Bee County! Plus, we'd be working with a product we know and love to talk about. It's been quite an adventure so far, and we're glad of the challenge.

### **What products do you make?**

The pinnacle product will be our very own Texas Bourbon, but that's several years down the line. Remember, it must age for at least 5 years. In the meantime, we're building a portfolio of similarly exciting products including an aged rum, crystal rum, gin, vodka and a blended whiskey.

**How much do your products cost?**

We don't have prices for our products yet. Prices will depend on where we source our materials, the distilling process, bottling and more. We promise that all of our products, no matter the price will be quality, and worth every penny.

**Where can I buy Coastal Bend Distilling, Co. products?**

You can't buy our products yet, but once we're open and bottling, you can buy our product directly from our distillery. After our first year, we'll start looking at distribution options for South Texas.

**Can I visit the distillery?**

Once we're open to the public, you are welcome to visit the distillery for a tour, for a tasting, or simply to hang with the cool kids.

**Can I host an event at the distillery?**

We'd love it if you did! We've transformed the Grant Building into an event venue for parties, concerts, and more. The Grant building can accommodate up to 200 people. Our distillery building is also able to host smaller groups of up to 75 people. Visit our events page on the website for more details or contact an events representative today at [events@coastalbenddistilling.com](mailto:events@coastalbenddistilling.com).
